## RECOMMENDED PERSONAL HYGIENE PRACTICES

Basic hygiene measures to help protect your health, of your family and all users:

The use of a mask is mandatory in all interior public areas of the hotel.

### DO NOT TOUCH YOUR FACE

Avoid touching the face, eyes, nose and mouth

### WASH YOUR HANDS FREQUENTLY

it is the best line of defence. Do it with soap and water for at least 20 to 30 seconds.

### SNEEZE ONTO YOUR ELBOW OR A TISSUE

You should then dispose it in the trash right away

If using hand sanitizer, confirm that it contains 60 to 80% alcohol, ensure coverage on all parts of the hands and rub them for 20 to 30 seconds until they are dry.

### KEEP A SAFE SOCIAL DISTANCE

You should keep a distance of about 2m from the people around you

## WHAT TO DO

### IF YOU FEEL SICK

1. Put on the mask;
2. If you are not in the room, return immediately and call the reception;
3. Prepare your identification and health card, in case it is requested by legal authorities

#### If you are unable to return to the room alone:

1. Isolate yourself wherever you are;
2. Ask a collaborator for help or call the hotel reception and follow the instructions.

The hotel has prepared adequate contingency spaces for the need for isolation

A team was formed, prepared to deal with emergency situations, until the arrival of the health authorities.

Follow our instructions carefully until healthcare professionals arrive at the hotel.
